

WISDOM FROM THE

Word

FULFILLING YOUR DESTINY – PART THIRTEEN

“...the forgiveness of sins...” Ephesians 1:7

Without God's forgiveness, we are doomed for eternal hell. We have no destiny if we are eternally damned. Therefore, forgiveness of sins is essential for our destiny. Instead of focusing on what's going to happen when we die, we are focused on building God's kingdom on earth and looking forward to the joys of heaven. When you study keys to success, focus is near the top of the list of qualities needed to succeed. Secondly, we read in Deuteronomy 28:13 through chapter 29 about all the curses for disobeying the law. When we are forgiven, we bypass all of the curses and walk by His grace into the promises of God. Instead of God working against us, He is for us, so who can be against us.

Because of His forgiveness, we are able to forgive others so we can focus our energies on loving others instead of fighting others. One common thread of poverty is a country, church or family that spends its resources fighting. When I was in Liberia I saw the devastating effects of war (even though ten years have passed). War leads to death, but if people can forgive, they can partner together instead of fighting each other.

OUR BIG TRIP TO
Honduras

DECEMBER 28 - JANUARY 4

— right after Christmas —

We are flexible with your travel schedule

Honduras Highlights

Report from Dr. Teresa

Good news!!! We rescued two little boys today – Jose Dimas, eighteen months, and Rony Jesus, three years old. They hadn't eaten for three days. A desperate mother came to church with her two little children crying. She asked Delcy, "Please take my children. I have no food to feed them." The two little boys got food right away. They were eating and drinking intensely. Soon after, they were smiling and happy. Thank you, Jesus, they are saved.

More good news!!! Antonio, our child from the orphanage who had a club foot, was operated on today by a group of American missionaries who came to Honduras and stayed in the same hotel where we stayed. We will keep you posted with pictures and more details. Thank you, Jesus.

- We had six missionaries come to Honduras the second week of September. They welded windows for the dorms and did some plumbing repairs. They also bought a bull. The ladies cut hair and painted walls. Thank you, Jesus.
- We have done electrical repairs.
- We installed fans and more lights for the dining room.
- Now, we are blessed to have thirteen missionaries here with Pastor Matthew Darnell from Hope Church in Le Claire, IA. They are building a basketball court, and the ladies are painting the dorms for the babies. We were blessed to have Pastor Matthew praying for our workers and teacher with prophetic words and healing. We also had powerful meetings at Pastor Julio's church. Pastor Matthew walks in signs and wonders. We received a lot of healings and accurate prophetic words.
- We also had Rev. Doug Gerhart who was a great help in the area of construction.

IMI's new missionaries The first two days were rough, but after spending a week in Honduras, Rev. Jim and Rev. Lyn are headed back to Honduras at the end of October. Please keep them in prayer. Our kids need a full-time mom and dad. And Jim can fix a lot of things. Praise God for our new partners.

The City of Refuge is growing – third family is going to Honduras to build their house Another family is building a house in Honduras. Do you trust the government? Do you want a beautiful vacation home? Do you want a house fully paid off? Another crunch is coming – pray about building in Honduras. It's approximately \$30 a square foot.

Honduras mission building projects

School Everything is almost done. They are making doors and windows. Half the rooms still need tile. Our children are excited to move into their new school.

Kitchen We have put in new stoves and vents. It is a professional kitchen with beautiful shelves and a pantry and serving area. They are wrapping up some of the details. This month, we are moving everything into the new kitchen and closing down the old one.

IMI retail center We have decided it was better to take down the metal part of the building and build two buildings instead of one large one. Currently, we have the metal taken down and we have started putting on the roof of the first building. The cost is \$21,000 and it is paid for. Finishing the first floor – which will include a conference center, restaurant, and four stores (pharmacy, clothing, food, and hardware) – will cost \$73,000, and that money has already been raised. Praise God. As soon as we are finished with the roof and walls, we will finish the interior. This is a three-year project that will be completed, we believe, by the end of December.

Agriculture One of our friends on the September mission trip bought a bull. So we now have four livestock. Also, we just sent \$1,500 to plant over 500 fruit trees. Some have died that we had planted earlier this year, but we just picked our first mango from one of our trees. Please keep our pastor/farmer, Pastor Oscar, in prayer. He is doing a great job for Jesus. Our goal is to not only be self-sufficient as far as the food we are raising, but to begin to sell food to our neighbors. To donate to the farm, mark *farm* on your check.

Honduras construction projects accomplished so far in 2013

- Three bathrooms for our workers and missionaries are completed at our city.
- We finished a septic system.
- We set up over twelve to fifteen 40-foot electric poles.
- Our large boys orphanage is completed.
- We finished a two-bedroom house.
- We also finished a one-bedroom house.
- We built a huge shed for our building supplies.
- Sidewalks for our Honduras compound have been built.
- We just finished our new kitchen.

Around the World

Europe and the Balkans, here we come

As a child, I was very interested in eastern Europe and my heart broke for the Soviet Bloc countries. One of my greatest heroes, named Ronald Reagan, stood up to the Soviet Union. What a bold and godly man Ronald Regan was when he said to Gorbachev, "Tear down those walls." How different he is than the other guy that goes around the world bad-mouthing our country. Two years ago, a good friend of mine from Vandalia, IL, Pastor Zimmerman, told me about a man from Bulgaria who was persecuted and thrown into jail by the KGB numerous times. He was beaten and threatened with death if he didn't deny Jesus. This mighty man of God started a Spirit-filled denomination after the collapse of communism in the late 80's. He now has over 340 churches, plus a Bible college. After spending three glorious and powerful days with Bishop Emil, IMI will be partnering with him. Ever since I went to Poland on a mission trip eight years ago, I wanted to start a ministry in eastern Europe. Now it's our time.

Be part of the first ever and only Christian orphanage in Bulgaria

The only orphanages there are in Bulgaria are run by the government, and the EU has ordered them shut down. As I am writing this, Bishop Emil's daughter, who is a lawyer, is going to begin the paperwork to help us start an orphanage. Bishop Emil already owns a four-story building that can easily have twelve apartments, plus many play areas. The building definitely needs to be remodeled, so we will be sending our first check. Our hope and prayer is to have the building finished by the end of 2014. The building is located in the gypsy ghettos of Sofia. It is as poor as most third world nations. We will begin an immediate feeding program. We also would like to start a Christian school. There are very few Christian schools in this ex-communistic country. Wouldn't it bring glory to God to teach these children the word of God every day? We have already made up our minds and we will send our first check. Let me ask you three questions:

- (1) Have you ever wanted to help communist people find Jesus?
- (2) Would you like to be part of a first ever opportunity?
- (3) Are you hoarding your money in this country hoping the government won't collapse?

The time is at hand, Jesus said in Matthew chapter 25. The best way to stop Islamic terrorism is to win them to Jesus. Let's do it! This country – neighboring Turkey, which is 85% Islamic – needs Jesus.

The need in Bulgaria

- Only 1% of the population are evangelical Christians.
- It was ruled by Muslims for 400 years.
- Ideally located between Europe and Asia, it borders Turkey, Greece, Romania, Serbia and Macedonia.
- Bulgaria and Romania are the poorest of all European countries.
- The Gypsy slums are as bad as those in Honduras, Uganda and Liberia.
- There are no Christian orphanages in Bulgaria.

The mission trip was powerful

Wednesday – Despite going 36 hours with no sleep, Teresa and I ministered in the main church of this denomination that has over 340 churches. Dozens gave their heart to Jesus, and God touched people prophetically.

Thursday – We preached at a Gypsy church in the slums, and there also many, many people found Jesus. The Pastor stood up and said that all the prophetic words were accurate. He was so excited, he booked me in one of his Gypsy churches the next day.

Friday – We met a man whose mom was married to Derek Prince. This brother is a messianic rabbi and teaches at the Bible college. He used to live and work with Brother Prince for twenty years. The Pastor took us on a historical tour of Sofia. This nation is rich with the history of Christians who were martyred there in the first century. Did you know that the original location of Philippi was in Bulgaria? That night we preached in another Gypsy church, and again, many were saved and encouraged through the prophetic word. There were numerous testimonies of the accuracy of the prophetic. The young people didn't want to leave the service. They have a small dingy building and so I prophesied that they will get another one. The pastor informed me that the building has been sold and they were going to have to move out. God had put it on my heart the night before that we would be buying a building for a pastor. The pastor was in awe. He had just found out about the need for them to move the day before and was crying out to God. This development was so new that even the Bishop didn't know the situation. One of the leaders of the congregation mentioned that his boss (the mayor) had two acres and a building for sale for (you guessed it) \$20,000. So, I am waiting for the response.

IMI is expanding rapidly – biggest expansion ever (adding 14 orphanages and 420 full orphans)

Just before we left to go to Liberia, Mercy Smiles – which is run by my spiritual mission parents, Norm and Karen Knudsen – have agreed to hand over their fourteen orphanages with over 420 children when they graduate to heaven. Despite going very strong, Norm and Karen are in their late 70's, and they feel the need to turn over the orphanages to IMI. How cool is this. Karen had a vision 35 years ago that I would go on a mission trip with her husband. 35 years ago this week, I went on my very first mission trip to Colombia. Despite my rebellious attitude that got me lost in the jungle and almost caused Norm and the other missionary to send me home early, God called me into the ministry. Now 35 years later to the week, "mother" Teresa and I agreed to take on the fourteen orphanages. This is the largest venture we have taken on since we first started. Norm and Karen have been in ministry for forty years and to have them hand over their ministry is not only a huge honor, but a humungous responsibility.

Our budget just increased dramatically. Our ministry in Honduras has just been surpassed by our ministry in India. Please mark **India** on your check.

IMI adds 15th orphanage in India through another ministry based in Minneapolis, MN

During our conference, I challenged the people that we would do a matching grant to help orphans in India. Brother Jim and Tara took on the challenge and together we are sponsoring another India orphanage with ten beautiful girls rescued from Hindu parents who left them for dead.

Construction projects in progress

- The walls around our medical clinic in Honduras are half-finished.
- We now have ten-foot high walls around our retail center in Honduras.
- Our eight-classroom school in Honduras is almost finished.
- We are building a school in Bangladesh (20% completed) but paid for.
- We are building a gymnasium in the Philippines (25% completed).
- A roof is being built on one of our churches in Liberia.

You will never be a world-changer without traveling the world. Get out of your comfort zone and you will feel the Comforter.

I have to be honest with you, I don't like sitting next to strange people on airplanes, cramped into seats for midgets.

I didn't like sleeping for three days on a mattress that was so thin, instead of having the blankets cover us, we slept on them to have a little bit more padding. But I am thrilled to tell you, you will get a different perspective on the plans of God if you travel.

Jesus commanded us to go into all the world to preach the gospel – what part of that don't we understand?

Liberia updates

1. IMI adds new church building in the jungle area of Liberia. We have a beautiful brand new church that seats over 100 people.

2. IMI buys six lots of farm land in Liberia for one of our pastors to raise food for his family and give to the poor.

3. The orphanage property has been turned over to IMI. We now have twenty beautiful children. We are getting estimates to build a building for the children. Where they live now is horrible with bad drinking water and no walls, so people are walking right through their compound. The children have no protection, living in a dingy building with little space and light; plus, they don't have a cooking stove. Please pray about **Liberia** and send your offering.

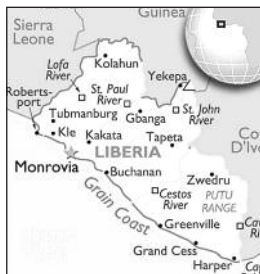

4. We were given two acres with a functioning school and a church.

Immediately after the deed was signed over. IMI bought 100 new desks for \$1,000 to bless our new students. With over 100 students, this is the largest IMI school in our network. We will be remodeling the school. If you want to donate to godly and Spirit-filled education mark **education** on your check.

5. Pastor Steve sent money to put a roof on our new church located in Liberia. This is our first building on our property in the City of Refuge Liberia.

IMI hits the three million meals mark through September 30th Thanks to God and his people, IMI has paid shipping on 330,000 meals to the Philippines each of the last seven months. To help out, mark **food** on your offering check. Through the generous giving of IMI partners we were able to send a forty-foot container of food to the Philippines through our partner – Risen Savior Missions. Thanks for your support in feeding 6,000 children. We would like to be able to do this every month, if possible.

Think about this Success comes from being willing to do what others won't do to have what they don't have. Currently, I am on a plane coming to the US from Amsterdam. The difference between business class and coach is interesting. (I am in coach.) A high percentage in business class are working on their computers, whereas almost everyone in coach class is watching movies. What a waste of time watching spoiled and mostly ungodly people on a little screen. Discipline, hard work, sacrifice, commitment, loyalty, stewardship were all embedded in American culture. Now we have eleven states that have more takers than makers. The good news is that there are so many lazy, undisciplined people in the United States, there is almost no competition.

Miracle at IMI conference – monies raised to build a school in Bangladesh

Pastor Lawrence has purchased the materials. There are major rain delays but one of the walls has been started. As soon as the rainy season is over, the school will be finished.

IMI marriage conference We were blessed to have fellowship and teaching from Rev. Michael and Rev. Helen McDermont and Rev. Steve and Anita from Des Moines, IA. Eight hours of teaching and lots of prophetic prayer saved some marriages and built some awesome relationships. We will be having one next year – you don't want to miss it.

Do you know you can rent a beautiful six-bedroom, six-bathroom cabin with large meeting rooms, swimming, fishing, shooting, hunting, volleyball, basketball and games for our cost plus cleaning if you are an IMI partner? Call me if you are interested at **(612)202-6064**.

Do you have a car, truck, snowmobile, furniture, etc. to donate?

Why not feed children with the things you have laying around your property? A good friend of ours donated a truck and we were able to feed 100 children in one month. Call Tom, if you are interested, at **(612)202-6064**.

Financial tip *“Part of your heritage in this society is the opportunity to become financially independent.” – Jim Rohn* How sad that over 50% of the people in America, when they pass on, are worth under \$10,000 in total assets. They work their whole life and can't save enough to bury themselves. That means they accumulated under ten cents an hour during their whole lifetime. If you are financially independent, you bless society instead of taking from it.

IMI business partner **RG CONSTRUCTION** is owned by Rod Grooms from Ottumwa, IA. His family has been in construction for over 100 years and they have done over a half a billion in sales. Rod has thirty years of experience servicing Iowa, western Illinois, northern Missouri and southern Minnesota. He can do additions, new housing construction, or business and government projects. Give him a call at **(641)777-0683**. Rod has been to Honduras four times and will give 20% of the profits to IMI.

Business tip *“All lasting business is built on friendship.” – Alfred Montapert*

This is especially true in ministry. Some people shop for price, others for quality, and many because they like the people they are dealing with. How are you at developing friends? Read the famous book, *How to Win Friends and Influence People*, by Dale Carnegie.

IMI has a new webmaster – Stu Campbell

He has been doing websites for years. Let us know how you like it.

Marriage tip *“A good husband is never the first to go to sleep at night or the last to awake in the morning.” – Honore de Balzac* One of the common problems in marriage is when there is a spouse who is lazy. I've been in homes where one does the work and the other does the talking. Who does the lion's share of the housework? Who mows the yard? Who pays the bills? As the leader and head of the house, I think the man should do more work than the wife. I have no respect for a man who claims to be spiritual and stays home on his lazy XXX while his wife has two jobs and comes home and does the housework.

Question for Tom and Teresa *What is going to happen when you die?* Currently, we are starting a trust fund for our orphans. Our goal is to have enough investment money to provide the resources to keep everything going at the time of our graduation to heaven.

Family news I was blessed in a three-day period to see both of my daughters and all of my grandchildren. We had a glorious time together. Plus, I stayed overnight at my son's house last month. We have had more family time together this year than in many years. Plus, my wife and I travelled together to Wisconsin for two days and Bulgaria for three days.

Pray for the Stamman house We are so blessed to have Bishop and Dr. Nuttal from Plymouth, MN stay in our home. They suffered a great loss in a fire, and we are excited to host them. Please pray for them. We also have Donald and Donnie, Tom and Mark. Rev. Jim and Rev. Lyn Moomey moved in to stay for one month before they move to Honduras.

Stamman house guests We were pleased to have Rev. Prophet Emmanuel Baba Lola from Ireland stay at our house in July and August.

If you are homeless or in a tight spot, please contact us Teresa and I are always excited to help people in difficult situations. If you or someone you know needs a helping hand and a place to stay, please contact us at **(612)202-6064**.

Success tip *“Success consists of going from failure to failure without loss of enthusiasm” – Winston Churchill* As much as I hate failure and paying the cost of it, I learn from my mistakes. Just this week I took two bags of luggage on a trip to sell my T-shirts. I can bring them for free on Delta. Unfortunately, when I was flying out of Bulgaria, I didn't check my ticket and found out that I was flying on Bulgaria airlines. It cost \$100. A mistake I will never make again. As long as you learn from your mistakes, you are going forward in life. Don't pound on yourself, but don't forget the lessons learned either.

Wise Advice

"A word to the wise ain't necessary; it's the stupid ones that need advice." – Bill Cosby
 Proverbs 12:1 "He who hates correction is stupid." Who do you take advice from? I believe everybody needs a coach. Who is your coach?

"If your actions inspire others to dream more, learn more, do more, you are a leader."
 – John Quincy Adams It's essential to get feedback from others. Ask the people who are your followers these important three questions:
 1) Do I inspire you to dream more?
 2) Do you learn when I speak?
 3) Do you accomplish more after I meet with you?

"Show me a good loser and I'll show you a loser." I never taught my children how to be good losers, I taught them how to be good winners and if you lose, learn from it, and don't do it again.

Joke of the month

I didn't like my haircut, but it began to grow on me.

by Laura Diehl,
 Wisconsin
 Director of Kids
 in Ministry
 International

Hey kids, did you know that you can heal the sick, cast out devils, and even raise the dead? Go read Mark 16:17-18. If you believe in the name of Jesus, you qualify! I have met a group of children who prayed for a women's ward in the hospital and all the women were healed. All but one were sent home the next day and that one began talking and eating, which she had not been able to do before the prayer! There is a boy in Mexico whom God used to raise a baby from the dead, half an hour after the doctors gave up! His name is Estaban, and he was only twelve years old! The baby's family came to know Jesus as their Savior because of this. God wants kids to flow in the power of the Holy Spirit just as much as adults. Do you want to do these things too? If you are filled with the Holy Spirit and believe in the name of Jesus, you can, because you qualify!
