Motivational tip “You are never too old to set another goal or to dream another dream” – C.S. Lewis Abraham became a father at age 100 and began a new adventure in his life. Don’t let your age slow you down. As Satchl Paige said, “Age is mind over matter, if you don’t mind, it don’t matter.” Age doesn’t have to limit you, it should only transition you. Write down five goals that you will not allow your age to hinder.

Overcoming obstacles “We generate fears while we sit. We overcome them by action. Fear is God’s way of warning us to get busy.” – Dr. Henry Link (paraphrased) Fear forces us to have action. It forces us to not sit idly by and let satan use and abuse us. Fear causes us to change and to improve. Just like the fear of an earthquake causes us to build better buildings and the fear of snakes causes us to eliminate them, so God uses fear to shake us out of our complacency and rely on Him.

We will custom design a mission trip for your church or group

Call me, Tom Stamman, for more information (612)202-6064.

Nine reasons to come with us on a mission trip

1. You can conveniently get to Honduras before lunch from the U.S. central and east coasts
2. Safe and secure with walled protection and professional drivers
3. Affordable at \$1,100 to \$1,500 per person
4. Fun – besides volleyball, basketball, soccer and more, we will have our small water park done by Christmas time
5. Variety – construction, revival meetings, evangelistic opportunities, playing with the children, painting, arts and crafts, and agriculture
6. Something for all ages
7. Life-changing experience
8. Make a difference in the lives of the people you impact
9. Make history by helping us build a city

WISDOM FROM THE *Word*
FULFILLING YOUR DESTINY – PART 26

“In him we were also chosen, having been predestined...”
Ephesians 1:11

Think of the eight billion people in the world and God chose you. Before the world was created, God chose us. Do you remember picking teams and you were chosen last? God is picking you to be on His team. Despite the Lord being omnipotent, omniscient and omnipresent, He chose you to be on his team. The key is found in the phrase “in Him”. God, in His foreknowledge, knew you would choose Him. Therefore, He chose you to be on His team. Once we put our faith in Jesus Christ, we were drafted to be on His team. I shared with our children in Honduras that of the 100,000 children in Honduras, Mama Teresa and I chose them to be on our team. What an honor!!! Not only does it feel great to be chosen, but God gives us the power, ability and wisdom to fulfill our destiny. Oftentimes, we feel rejected and dejected, but if we can just understand the glory and honor of God choosing us, we should have confidence and boldness to accomplish great things for Him.

Because you are chosen, how do you feel?

Because you are chosen, what should you do for Jesus?

“If it is in the Bible, it is so – it’s not even to be prayed about. It’s to be received and acted upon. Inactivity is a robber which steals blessings. Increase comes by action, by using what we have and know. Your life must be one of going on from faith to faith.” – Smith Wigglesworth

Report from Teresa The kids are excited for vacation. The kindergarten children will graduate at the end of November. The older are graduating with good grades. Susan and Scott Mccumber are doing a great job as music and art teachers. The children love them.

The bathrooms of the school are finally done, PTL. We are done repairing the kitchen roof and burners. The cooks are very happy to have their kitchen fixed. We are finishing the repairs in the dining room. We are changing the tile, fixing some walls and painting. The kiosk is now done and equipped, ready for opening. The baker is very excited. The remodeling of the old girls orphanage is going forward. They are plastering the walls and fixing the roof. Omar is working continually in the walls of the hotel. Rodolfo, the welder, started making the metal gate and metal bars for the fence. We are almost done repairing the bridge to the farm.

We have two fish ponds. The fish are growing very fast and we will have fish in January, Oscar says. Yummy! We have nine more baby sheep – miraculous reproduction. God is good. We are harvesting hot peppers and herbs from the garden that Deanna and Bruce planted last July. Good job!

We have two more missionaries in Honduras. Cameron is from Colorado. He is working very hard with Oscar, giving him a lot of help. Cameron gets up every morning at five for a prayer time at the farm, then milks the cows and helps at the farm until noon. Afterwards, he hangs out with the kids playing soccer or teaching them how to play the guitar. Joseph, our newest missionary, had come in March. He loves it in Honduras. He also helps Oscar at the farm.

Major remodel job on the three buildings that the girls were in

Currently, all of the old plaster inside and out has been stripped. Our workers are in the middle of putting on the roof. After it is finished, we will have nearly 7,500 square feet finished. The workers are replastering the inside and outside of the buildings. We praise God that all of the monies have been raised for this exciting remodeling project.

We have a two-fold purpose in remodeling the girls orphanage – one, to provide overflow housing to new orphans that will be coming to live at the City of Refuge – and two, to make the three buildings as beautiful as our main hotel so missionaries will be able to stay in a comfortable and convenient room. Our goal is to be self-sufficient, and one way to do that is to book out our hotels. If we can book out hotels for half of the month, we will meet almost all of our budget for our orphanage.

Kiosk expansion is finished!!! We have expanded the kiosk 400 per cent. We now have four times the retail space. Plus, we bought a commercial oven (\$4000) and a commercial mixer (\$2,000). Our baker has been getting up early in the morning to do her baking; now, she can bake while she is on the job. There are 10,000 people in fourteen villages with only one road which cuts through the middle of the City of Refuge, and there is no other bakery.

Four bathrooms for the school The bathrooms are finished, and the children are happy they don't have to run for five minutes to go to the bathroom. Thank you, Jesus, that another project has been completed.

Finally, our medical clinic is finished There are no doctors, medical clinics or hospitals for 10,000 people. This is life or death. We are sending a container of supplies and machines to get started. The cost of shipping is \$4,000 and it should be arriving sometime in December. Please pray for everything to go smoothly at the port.

On September 30, we broke ground on our 5400 square-foot multi-purpose building Update: We are in the middle of the rainy season, but in between the rains, we have managed to finish the footings. The next phase is to build the walls. The completion date is set for February, 2015. Thanks to God's people, we have enough funds to complete the project. Please keep us in prayer. It is the second largest building that we have built in Honduras. This building will have a huge recreational area for children to play that will be supervised so our games and toys don't get wrecked. We will have rooms for industrial arts that will include metal and woodworking, welding and other skills to develop trades. Plus, we will have much needed space to store medical supplies, clothes, food, toys, tools and cleaning supplies.

Retail center We will have three stores and a restaurant.

Hardware store – We have bought shelving, signs and products to start our hardware store. Our goal is to set up the store and have a full-time person to run it.

Restaurant – To start our restaurant, we need \$25,000 to buy all of the equipment, chairs, tables, machines, etc. To start our pizza restaurant, we need \$15,000. Please pray for us or earmark your check **restaurant**.

Motorcycle store – Our good friend, Rev. Doug Gerhart, is currently looking into how to start a motorcycle business.

Pharmacy and groceries – We need to buy shelves, train a worker and buy products to sell. There is no pharmacy for over an hour and a half for some people. Our outlet could be a lifesaver for them.

Souvenir shop – We hope to have it operational by December.

Remodeling old girls dorm

Honduras Highlights

Needs for the orphanage

- storage for the girls dorms - six at \$240 each
- living room couches for the girls dorms - \$1,000

Thank you for your generosity.

Pray for Scott and Sue McCumber They have moved to Honduras as missionaries to help us parent the children, lead in worship, assist with art and computers, and watch the children. They will also be building a house at the City of Refuge.

Sponsor a child to go to college Currently, Adriana, our eldest daughter in the orphanage (whose mother and sisters are prostitutes), is in her second year of medical school. IMI is looking for five sponsors for \$100 a month or two sponsors for \$250 a month or one

sponsor for \$500 a month. Please pray about helping her become a doctor. Special thanks for our friend, Rice King, whose gift furnished her apartment and paid the first month of tuition. Mark **Adriana** on your check to help with her education.

Scheduled project – school, church and community center

This is our project that we will be raising money for. At 15,000 square feet, it will be the largest building we have ever built. The plans are made, including the addition of two classrooms.

Two-fold usage of our school During the day, our school will be used for kids, and during the evening, we are going to start a Bible college, a tech school, and a business college.

Security walls We thank God that phase two of the security walls has been finished to chest level. We have sent the money to insert the iron bars. Then, we will put razor wire on top. With the phase three money that was sent, we will put footings in the ravine where the water rushes through. Phase four will complete making the front of the land totally secure.

Safety is one of the most important reasons people like coming on our mission trips and why people are wanting to move to the City of Refuge in Honduras. Therefore, every month we invest \$5,000 in building walls around our property. Our goal is to have a secure compound that is exactly like the U.S. military base located only twenty minutes away from our city. The walls are eight to ten feet high with razor wire on top of them.

Swimming pool The walls are up, and the flooring has been laid. We also have two slides done and one of the caves. Our goal is to have it finished by Christmas. It will be 40 by 70 feet with six slides, an island, two fungi with water spouts and showers. It will be a start for our mini water park. This is the beginning of a dream of having a small water park to get tourists from America and Honduras to visit. Monies came from a house that Teresa and I sold. Our nine-fold purpose is to:

- (1) provide income for the orphanage on an on-going basis
- (2) provide jobs for our children, the members of our church and people in the village (3) attract retirees and/or people looking for a second home to live there and

volunteer and give to the City of Refuge (4) create awareness to help destitute children (5) create a fun environment for orphans (6) invite other orphanages to bring their children and have fun (7) have opportunities for evangelism (8) do something unique for God (9) invite pastors and their families to get blessed and feel the love of the Lord. Come and be part of the dream.

Day of play for orphans and poor children across Honduras

Most children in Honduras have never had the opportunity to go to a swimming pool and play on a nice playground or an artificial soccer field. Now they have the opportunity. Our goal is to buy a bus and pick up children to bring them to the City of Refuge for a day of play, free food, a Bible and a pair of shoes. To help us out, put **bus** on your offering.

Did you know that IMI has 86 full-time employees/workers at the City of Refuge?

We are grateful for God's provision to have 86 families make their living by working for us in Honduras. Included are farm workers, engineers, construction workers, school principal, teachers, nannies, security and guards. During the day, we have almost 160 people at the City of Refuge.

Donate \$5 for a turkey

Donate \$500 for a cow

Donate \$70 for a goat

We made our third payment of \$6,000 for the 52 acres and a house We have 21 payments left to pay off this property. If you would like to donate for the land, mark **land** on your offering.

Next phases

- Fence in the 62-acre farm
- Put in pump for the well and buy cows, sheep, goats and horses for the 52-acre farm
- Buy a third irrigation system
- Divide up the property into six areas – fruit trees, vegetables, corn, cattle, sheep and goats, tilapia ponds
- Fix the farm house for a young couple to move in and watch the farm
- Our four-fold goal – support the orphanage and workers, feed 2,000 people per month, provide enough food for the restaurant and store, process and sell excess food

Please pray for us.

Agricultural report Jesus said, "This is to my Father's glory, that you bear much fruit..."

- Acres and acres of beans are growing,
- Our next season of corn is growing.
- The second tilapia pond has been filled with water, and the fish in the small pond have been transferred into it.
- On our new property, all of the land has been fenced in for raising goats, sheep, cows and horses. We have cleared the land next to the fence, replacing fence posts and rewiring the barbed wire.
- We are increasing our turkey and chicken operation by fencing in a huge area for free-range feeding.
- We will be purchasing and planting 500 more fruit trees and putting in another irrigation system.

Livestock report

We are pleased to announce we had a baby calf in October. Plus, we purchased a little calf and three heifers that are pregnant. We thank God for Sue who donated the money to buy the animals. We now have fourteen cows and five calves for a total of nineteen head of cattle. Our farmer, Oscar, has the go ahead to keep buying animals.

Agricultural goals clearing 134 acres of virgin land to plant fruit trees, vegetables, corn, tilapia and livestock • three future tilapia ponds • more pigs and pig pens • rabbits and pen • more cows • chickens and chicken fencing • turkeys and pens • clear more land for watermelons

Reasons for a cement manufacturing plant

1. To be able to manufacture our own cement blocks for use in our projects, thus, cutting our cost to build buildings
2. To create five more full-time jobs
3. To sell extra blocks to the community, thus, creating another income source to feed children

We need a 2,500-square-foot simple metal building to keep rain off the blocks as they cure. The cost of this structure is yet to be determined. The machine and molds are \$15,000 with additional \$800 shipping and \$4,000 port fees. Plus, we need to determine the price of purchasing a large mixer.

Other manufacturing plans

1. To make shirts, dresses and other clothes – cost for T-shirt sewing machines \$6,000
2. To start making bricks, as there are other brickmaking factories only two miles away because of the availability of raw materials

The City of Refuge is growing We have a one-bedroom house owned by a couple in Texas and a two-bedroom house owned by a couple from Iowa. The location is picked for a one-bedroom house to be constructed during the dry season. A couple in Iowa sent a check for a two-bedroom house. Sue and Scott, our missionaries, are going to be building a house. My wife and I will be building a house. A couple from Illinois are planning to build a one-bedroom house, plus, a friend from Georgia has picked his lot. Do you trust the government? Do you want a beautiful vacation home? Do you want a house fully paid off? Another crunch is coming – pray about building in Honduras. It's approximately \$30 a square foot, and some of our small houses are under \$15,000. We are now developing the roads to build your Honduran getaway.

Our goal is to be the Charity of Choice

- By taking zero salaries from the ministry
- By providing experiences that make an eternal difference
- By being ethical in all business dealings
- By helping bring the holistic gospel to a needy and hurting world

Volunteers needed Graphic artists, fund raisers, networkers, people to create awareness.

What do you like to do? *"Leadership is the art of getting someone else to do something you want done because he wants to do it."* – Dwight D. Eisenhower We try to get volunteers to do what they like to do rather than what we need them to do. If you are doing what you like to do, you will never get burnt out.

Special thanks to our donors Our young businessman friend in Michigan, Derek Harrington; an engineer and businessman named Joe from Michigan; Dr. Tim Peterson from CWC in Owatonna and Minnetonka; Caruth Construction; Rice King; plus, of course, all of our monthly and givers that attend our meetings or donate through PayPal.

Desire *"The starting point of all achievement is desire."* – Napoleon Hill What are your desires? The one thing I cannot do is put desire in people. Nobody can fulfill your destiny better than you. God says if we delight in Him, He will give us the desires of our heart. What are your desires? Write them out, strategize, and then, run after your dreams.

New ministers We are excited that Rev. Josh Sheldon from Jasper, MN and Rev. Nancy Nygaard from Scandinavia, WI have joined the IMI family.

New grandbaby on the way We are pleased to announce that Natasha and John Phillips are expecting their second baby. Please pray for health for the mom and the baby.

Pray for the Stamman house We have Mark Treaton from Davenport, who has been here for years, and Rev. Al Williams, who is a missionary from Cameroon. We also have a worship leader from Christian Family Church named Paul Matusi, who is originally from Uganda, and his three children who come on a weekend basis. Our youngest adult is Becka from Lodi, WI. Her mom and dad pastor a church. Our best worker is Jodi, who is our gardener and weed puller from Wisconsin. Our family from Iowa is doing great: Carlee, Robert, and her two children. Brian Vaughan is back from Honduras and works with my son-in-law in his landscaping business. Keep us in prayer.

Around the World

It's the most wonderful time of the year We have 164 children around the world. Last year, because of lack of funding, only our children in Honduras got Christmas gifts. Would you like to give a child a gift for Christmas? Mark **Christmas** on your check. Maybe someone will write a check for \$162 so every child can have a \$1 gift, or \$324 so every child can have a \$2 gift.

IMI Bangladesh update We are so excited! After eighteen months, our new school in Bangladesh is finished!!!

IMI Guatemala report Please be praying for nine-year-old Gabriel. He has been a part of our children's program and discipleship program for the past several years. Their family lives at the entrance to the Guatemala City dump and makes their living from it. His father recently died. Because Gabriel is now fatherless, much responsibility to help support the family may fall on his shoulders. His mother, Marleni, came to our new believer's Bible study two weeks ago. Please pray for comfort for Gabriel and his family, for wisdom for Marleni as she directs her family now, and for her to embrace Jesus and make Him Lord over their lives.

Become an IMI ambassador You can be a volunteer or earn an income. Save children, change the world, make a good residual income setting up *Remember the Orphan* presentations, garage sales, bake sales, etc. Call **Tom** at **(612)202-6064** for information. We have a half dozen ambassadors – come join the IMI team.

"Coming together is the beginning, keeping together is progress, working together is success." – Henry Ford The key to not running out of steam is to be on a team. Who is on your team? Who can you work with? You will never impact a nation through isolation. When building the tower of Babel, God had to stop the people by separating them through language. When God's people unite, we become unbeatable and unstoppable. Even the Lone Ranger had Tonto; who's your Tonto?

"Give a man a match and he will be warm for a minute, but set him on fire and he will be warm for the rest of his life." Are you on-fire? Are you passionate for the Lord Jesus? Charles Finney prayed, "Let there be revival." He drew a circle, jumped in it and said, "Let it start with me!"

ADVICE FOR SINGLES
from Teresa Stamman

Continuation of the most common mistakes made in the beginning of a relationship

.... Mistake number two WE GIVE INTO THE INFLUENCE OF LUST

Try to wear a blindfold on your desires when you meet people so that you can see who they really are beyond the physical. One practical example is to talk a lot on the phone. You should be intellectually and emotionally intimate before you are sexually intimate. When you learn to connect to people with your heart – rather than just seeing them with your eyes – you will attract a much more compatible partner into your life.

Healthy Tip by Dr. Theresa

Prevent low blood sugar as it stresses you out. Eat regular and small healthy meals, keeping fruit and veggies handy. Herbal teas will also soothe your frazzled nerves. Eating unrefined carbohydrates, nuts and bananas boosts the

formation of serotonin, another feel-good chemical. Small amounts of protein containing the amino acid tryptamine can give you a boost when stress tires you out.

Tom's wisdom

Discipline trumps almost everything. If discipline was a ball team, it would crush talents, resources and intelligence. Discipline is one of the keys to succeeding in everything we do. It's where we get the word *disciple* or *discipleship*. Discipline includes being * consistent * persistent * putting off pleasures * working hard * being focused * going the extra mile * not wasting time, energy, or finances. When others are sloughing off, disciplined people are working. Why do people fail? Oftentimes, it's because they are undisciplined. Remember, "Discipline yourself so others don't have to."

by Laura Diehl
 Crown of Glory Ministries
www.crownofgloryministries.org

"God is good all the time!"
 How many of you have heard a pastor say that, and we reply

back, "And all the time, God is good"? That is a very true statement, but what does it mean that God is good? Is God good because He answered a prayer exactly how we wanted Him to? What if God doesn't answer our prayers the way we want, does that mean God is bad?

Something is good if it is valuable or useful, is high quality, and is real and not fake. It is worth having. Someone who is good is caring, kind, honest, generous, honorable, just, kind, faithful, loving...sure sounds like a description of God, doesn't it? God is good because of who He is, not because He does what we want Him to do. God is still good when we pray for someone not to get divorced but they do anyway. When it is raining and storming outside, God is good. When we are hurt or sick, God is good. God is good because God is God, not because we are getting our prayers answered the way we want.

So the next time you hear or say, "God is good all the time. And all the time, God is good," remember the truth behind those words. We can always trust God to do what is best for us because He is a good God. God is not good sometimes and bad sometimes. He is ALWAYS good.

Marriage Tip by Teresa Stamman

Always see the best in your partner. Focus only on what you love. What you focus on will expand. If you focus on what bugs you, all you will see is reasons to be bugged. If you focus on what you love, you can't help but to be consumed by love. Focus to the point where you can no longer see anything but love, and you know without a doubt that you are the luckiest person on earth to be have this woman as your wife or this men as your husband.

Success tip How's your GPA on the following characteristics of success according to the great legend, Vince Lombardi? Class #1 **hard work**; Class #2 **dedication**; Class #3 **determination**; Class #4 **giving our best**. What's your strongest of these four characteristics? What's your weakest? There's no excuses for the child of God.
