WISDOM FROM THE *Word* LESSONS FOR LIFE – PART ONE

“Uzziah was sixteen years old when he became king in place of his father Amaziah.” 2 Chronicles 26:3

First we read Uzziah became king at age sixteen. We, as parents, need to train our kids to work, lead and be responsible. I am saddened to see how many parents baby their children. In many instances, children rarely clean the house, let alone clean their room. They don't do laundry; they don't do chores and are not challenged to do any labor. 100 years ago when the country was 90% agricultural and most people were self-employed, the boys worked in the field and with livestock and the girls cooked, cleaned and washed clothes. Most teenagers now couldn't even clean their room, much less run a nation. They don't know how to do laundry. All of our children in Honduras know how to cook, clean, do laundry and some know how to do welding, construction and even manage the pool. My mother used to say, “I am your mother; I am not your friend.” And, “If you don't hate me once a week, I am not doing my job.” We want our kids to love us, but being their friend is not the first priority. It's to help them know God and be prepared for life. Teach your children how to enjoy work, and when they grow up, they won't waste their money on frivolous junk, addictions or entertainment that wastes valuable time.

Uzziah's dad was a king, so somehow by the time Uzziah was sixteen, he knew enough to be able to take over the kingdom without self-destructing or being overtaken by

his enemies. Many children hardly know what their parents even do for a living much less how to take over their parent's job by age sixteen. Of course, it's unrealistic for a young person to practice medicine or be a lawyer, but they can help around the house and the yard. What are you teaching your children? What life skills do your children have? If your children turn out like you, is that a good thing? Take a moment and write down five things your children can do working around the home. Write down five life skills you can teach your children. What have you learned in the work force that can help your children be successful? Many times my son has said that my work ethic has helped him to become the lawyer he is.

When we spend time with our kids, how do we spend it? Many times it's watching TV and movies or only with recreational activities. Yet, in reality, recreation, sports and school events are a very small part of life. Spend time with your children to teach and model success traits and show them spiritual character. Get it out of your thinking and talking that you they will do as you say and not as you do.

Finally, model Christianity. Pray with your children, read the Word with them, go to church with them and, most of all, love them and show them, “What would Jesus do?”

Honduras Highlights

Honduras Christmas We thank God for a church in Columbus Junction, Iowa and a church in Rapid City, South Dakota who gave presents for our children in Honduras. It was a wonderful time of celebration for them.

Praise be to God In November, the devil tried to steal the City of Refuge through a very challenging battle and process. But God! He came through again. Trials are a part of the Christian life. As David said, *"Many are the afflictions of the righteous, but the Lord delivers him out of them all."* Our great Deliverer helped us again.

Because of the major disaster we went through, we have to hold off on our new church, school and Bible college The land is prepared, but we have to wait on the funds, which is something I'm not good at. We do have two very large ministries from the States that are thinking of helping us out. This is our project that we will be raising money for. At 10,500 square feet, it will be the largest building we have ever built. The plans are made, including the addition of two classrooms.

Two-fold usage of our school During the day, our school will be used for kids, and during the evening, we are going to start a Bible college, a tech school, and a business college.

Major remodeling job is finished on the three buildings that the girls were in!!! Glory to God!!! Now we are able to handle 25 families staying at the City of Refuge. The rooms are gorgeous, the beds are comfortable and the lobby is huge. When we ate meals before, we had to eat in the gazebo, but now, we have a beautiful, spacious air conditioned room. This lobby is also used to host our meetings for the missionaries. Instead of the 45 minute drive back and forth to the major city, people can go to their rooms, take a rest, shower up and spend more time with the children. Thank you, Jesus!

Kiosk expansion is finished!!! What a joy it is to see the communities of people stopping in and buying snacks, chicken, pizza and household goods! And the food is outstanding, yummy! This kiosk has four purposes: 1) to earn money for the orphanage; 2) to cook food for the missionaries, 3) to teach our children how to work, 4) to establish a Christ-like presence in Honduras. All of the missionaries enjoyed the great-tasting food.

City of Refuge now has souvenirs available for purchase We have T-shirts and coffee mugs with the photos of the children.

Multi-purpose building As of January 1, they are wrapping up the plastering of the walls. By the second week of March, they will be putting on the roof. Thanks to God's people, we have enough funds to complete the project. Please keep us in prayer. It is the second largest building that we have built in Honduras. This building will have a huge recreational area for children to play that will be supervised so games and toys don't get wrecked. We will have rooms for industrial arts that will include metal and woodworking, welding and other skills to develop trades. Plus, we will have much needed space to store medical supplies, clothes, food, toys, tools and cleaning supplies.

Finally, our medical clinic is set up We thank God for Teresa Schroeder and our volunteers. The medical clinic is setup with a dentist office, minor surgery area, two waiting rooms and an office. The next step is to contact the government and have them send a doctor and nurse. We will supply the medicines. What an opportunity to show the love of Jesus, for He said, *"I was sick and you came to visit me."* Whatever we do to the least of His children we do to Him.

Sponsor a child to go to college Currently, Adriana, our eldest daughter in the orphanage (whose mother and sisters are prostitutes), is in her second year of medical school. IMI is looking for five sponsors for \$100 a month or two sponsors for \$250 a month or one sponsor for \$500 a month. Please pray about helping her become a doctor. Special thanks for our friend, Rice King, whose gift furnished her apartment and paid the first month of tuition. Mark **Adriana** on your check to help with her education.

Forty plus missionaries came to Honduras They built numerous benches and tables for the school and the hotels. They also dug holes for our large chicken and turkey pen to allow them to graze. We spent mucho time with the children hugging, praying, encouraging and loving on them. Two years ago, the tour of the City of Refuge took less than 45 minutes; now, the buildings take an hour and a half and the agricultural tour takes two hours. We really bonded together and there was good harmony.

IMI would like to thank Deanna Franta for her tireless efforts in making our mission trips successful Thank you, Deanna, for all of your work. We will surely miss you.

We thank God for the following missionaries Dr. Duffy with his wife and four children from Peoria, IL; Derek and Melinda Stirling with their oldest son from Raymore, MO; the president of Warm Blankets with his wife from Palatine, IL; The Schulz's and the MacDonalds with their children and friends from Ottumwa, IA; Charles and Susan Olson from Minnesota; Teresa Schroeder with her granddaughter from Illinois; Joshua Otte and Rebecca Krumpacker from Nebraska; Brian Grey, our videographer, from Lihue, HI; and specially, my son and my wife. We also were blessed to have Brett Citrowske and his two friends who rode bike through 48 states to raise money for the school.

Honduras Highlights

Nine reasons to come with us on a mission trip to Honduras

1. You can conveniently get to Honduras before lunch from the U.S. central and east coasts
2. Safe and secure with walled protection and professional drivers
3. Affordable at \$1,100 to \$1,500 per person
4. Fun – besides volleyball, basketball, soccer and more, we have our small water park
5. Variety – construction, revival meetings, evangelistic opportunities, playing with the children, painting, arts and crafts, and agriculture
6. Something for all ages
7. Life-changing experience
8. Make a difference in the lives of the people you impact
9. Make history by helping us build a city

Water park for the day of play is finished!!!

What a blessing on New Year's Eve to see our children laughing and enjoying the new 40' X 70' water park! It has a cave, a bridge, a mushroom that drips water on you and three slides, plus, showers and bathrooms. On New Year's Day we had a workers' party and all of workers and their families got a chance to have fun!!! What a joy it is to see God's people have some clean fun!!!

Day of play for orphans and poor children across Honduras

Most children in Honduras have never had the opportunity to go to a swimming pool and play on a nice playground or an artificial soccer field. Now they have the opportunity. Our goal is to buy a bus and pick up children to bring them to the City of Refuge for a day of play, free food, a Bible and a pair of shoes. To help us out, put **bus** on your offering.

Honduras swimming pool We have begun the fulfilling of a dream of having a small water park to get tourists from America and Honduras to visit. Monies came from a house that Teresa and I sold. There is a nine-fold purpose to:

- (1) provide income for the orphanage on an on-going basis
- (2) provide jobs for our children, the members of our church and people in the village
- (3) attract retirees and/or people looking for a second home to live there and volunteer and give to the City of Refuge
- (4) create awareness to help destitute children
- (5) create a fun environment for orphans
- (6) invite other orphanages to bring their children and have fun
- (7) have opportunities for evangelism
- (8) do something unique for God
- (9) invite pastors and their families to get blessed and feel the love of the Lord. Come and be part of the dream.

Make a difference in someone's life

"If you can't feed a hundred, then feed one"
– Mother Teresa

Are you part of the problem or the solution?

"Be grateful for what you have and stop complaining – it bores everybody else, does you no good, and doesn't solve any problems." – Zig Ziglar
Instead of complaining, ask God for help, wisdom and opportunities. Complaining strangles your thoughts, dreams and future. Every obstacle has a solution begging to be discovered.

Retail center updates

Hardware store being prepared for a grand opening

– We are still waiting on the government of Honduras so we can open up our store. Please pray for them to expedite us.

Other stores – Eventually we will open up a pharmacy, grocery store, souvenir shop, motorcycle shop and a restaurant.

Restaurant – To start our restaurant, we need \$25,000 to buy all of the equipment, chairs, tables, machines, etc. To start our pizza restaurant, we need \$15,000. Please pray for us or earmark your check **restaurant**.

Manufacturing plans

1. To make shirts, dresses and other clothes – cost for T-shirt sewing machines \$6,000
2. To start making bricks, as there are other brickmaking factories only two miles away because of the availability of raw materials

On December 30, IMI paid off 62 acres and the land is officially ours

The devil fought us, but he lost – thank you, Jesus!!! Once we raise the funds for the fencing, we will put our cows in it. Then we will begin to prepare 25 acres for corn. The next phase will be more fencing to keep the cows out of the corn.

We made our fifth payment of \$6,000 for the 52 acres and a house

We have nineteen payments left to pay off this property. The cattle are enjoying 52 acres of food. If you would like to donate for the land, mark **land** on your offering.

December agricultural report

Jesus said, *"This is to my Father's glory that you bear much fruit..."* We had three new baby lambs, and are they ever cute! We were able to raise enough corn so that we won't need any until the next planting season. We are harvesting a lot of bananas and plantains and are beginning to harvest papayas and tangerines. The second tilapia pond has been filled with water and the fish from the small pond have been transferred into it.

IMI livestock report

We have 22 cows and another mother who is pregnant. Currently, we get about six gallons a milk a day, which is great for our little children. We now have 43 sheep and goats, and they are beginning to have babies every month. They are sooooo cute!!! Our kids love to play with the baby lambs and goats.

Next phases

- Fence in the 62-acre farm – cost \$6,000
- Buy a third irrigation system – cost \$6,000
- Divide up the property into six areas – fruit trees, vegetables, corn, cattle, sheep and goats, tilapia ponds
- Buy cows, sheep, goats and horses for the 52-acre farm
- Fix the farm house for a young couple to move in and watch the farm

Our four-fold goal is to support the orphanage and workers, feed 2,000 people per month, provide enough food for the restaurant and store, and process and sell excess food. *Please pray for us.*

Agricultural goals • more pigs and pig pens • clearing 114 acres of virgin land to raise fruit trees, vegetables, corn, tilapia and livestock • five future tilapia ponds • rabbits and pen • more cows • chickens and chicken fencing • turkeys and pens • clear more land for watermelons

2015 priorities in Honduras

Large building projects

- 10,500-square-foot sanctuary with two classrooms
- 3,600-square-foot boys orphanage on four acres
- Laundry room

Businesses

- Hardware store started
- Stock up goods in our kiosk store
- Start up grocery store, pharmacy, motorcycle store and souvenir shop

Ministry

- Start our second church

The City of Refuge is growing We have a one-bedroom house owned by a couple in Texas and a two-bedroom house owned by a couple from Iowa. The location is leveled for a one-bedroom house and we are beginning construction. A couple in Iowa sent a check for a two-bedroom house. We have the location leveled and are beginning construction. Sue and Scott, our missionaries, are going to be building a house. My wife and I will be building a house plus, a friend from Georgia has picked his lot. Do you trust the government?

Do you want a beautiful vacation home? Do you want a house fully paid off? We are now developing the roads to build your Honduran getaway.

Cool quote *"If you could kick the person in the pants responsible for most of your trouble, you wouldn't sit for a month."* – Theodore Roosevelt
I am by far my own worst enemy. If I fail, I take full responsibility. If I succeed, I give God all the glory.

Be a doer *"The quality of a leader is reflected in the standards they set for themselves."* – Ray Kroc
How can we expect others to abide by our rules if we don't? Do as I say, not as I do, may work for slaves and young children, but you won't succeed in life until you live up to your standards.

Impact quote *"No man can possibly be benevolent or religious to the full extent of his obligations without concerning himself, to a greater or less extent, with the affairs of human government."* – Charles Finney
It's time for God's preachers to get a backbone and stand for the things that God tells us to stand for. Read the prophets in the Old Testament and John the Baptist who spoke into the governments of their day. I am sometimes ashamed of God's ministers who, for the sake of numbers, refuse to tell the truth of God's Word.

Our goal is for IMI to be the Charity of Choice

- By taking zero salaries from the ministry
- By providing experiences that make an eternal difference
- By being ethical in all business dealings
- By helping bring the holistic gospel to a needy and hurting world

Become an IMI ambassador

You can be a volunteer or earn an income. Save children, change the world, make a good residual income setting up *Remember the Orphan* presentations, garage sales, bake sales, etc. Call **Tom** at **(612)202-6064** for information. We have a half dozen ambassadors – come join the IMI team.

Special Christmas party held on December 23 at the Stamman's house was a blast

I'm so sorry for those who couldn't come. We had great food, a Christmas message, and a powerful prophetic time. Special thanks for Jim and Rev. Nancy Nygaard for their help. We were blessed to have our friends come from the Twin Cities, western Minnesota, southern Minnesota, Wisconsin, and Iowa. Thank you, friends, for making it a wonderful Christmas.

Special thanks to all of our donors

My good friend, Jay; Caruth Construction; plus, of course, all of our monthly and givers that attend our meetings or donate through PayPal. Mega thanks!

Are you ready to walk in the fullness of Jesus Christ? Are you ready to impact the world?

"Immersed into God by Andy Hayner [one of our IMI ministers] is a must read for those that are hungry for the supernatural power of God to work in their life. This book will inspire and equip you to do great exploits for God." – *Pastor Steve Stauffacher, VP of IMI*

Business "A business that makes nothing but money is a poor business." – *Henry Ford*
Other than money, does your business produce souls saved * fruit of the spirit * jobs * joy * needs fulfilled * giving when the opportunity arises * safety * positive atmosphere * legacy * purpose * praise to God * pouring into the next generation? Money is cheap paper with cheap ink bought from the lowest bidder.

Do you need legal help with a will, immigration or a non-profit, or do you have a problem with the law? Phil (my son) emphasizes in immigration law and non-profits and his partner, Scott Salisbury, specializes in criminal law. (He was a DA for ten years.) You can contact them at **(612)616-2932**.

Hmmm... *Few women admit their age. Few men act theirs.* Hey guys, it's time to grow up and take responsibility. Are there any childlike behaviors you need to change? Make God, your wife and your children proud by acting godly and mature.

Work "Perseverance is the hard work you do after you get tired of doing the hard work you already did." – *Newt Gingrich* That nasty four letter word – "work"! Do you want a 17% pay raise? Obey the Bible! "Six days you shall work!" Paul said that if we don't work, we don't eat.

Stamman family Christmas Because of the severe trial we went through, we were so broke that we weren't able to buy presents for the first time in over thirty years. Yet we were able to appreciate the story of how though He being rich, became poor. Jesus was born in poverty, in a barn. The Savior of the world, the King of the universe, was born into deep poverty. We were blessed to have our oldest daughter and her husband with our two grandchildren, our second daughter and her husband with our granddaughter and future grandbaby, our son and his wife, and our adopted son and his sister with her husband and daughter. We had a marvelous time.

Pray for the Stamman house Scott Koistra from Pella traveled with me for two weeks and also our young friend, Zach Grooms. It was a real blessing. We have Mark Treaton from Davenport, who has been here for years. We also have a worship leader from Christian Family Church named Paul Matusi, who is originally from Uganda, and his three children who come on a weekend basis. Our youngest adult is Becka from Lodi, WI. Her mom and dad pastor a church in Wisconsin. Our best worker is Jodi, who is our gardener and weed puller from Wisconsin. Our family from Iowa is doing great: Carlee, Robert, and her two children. Keep us in prayer.

Criticism "Criticism may not be agreeable, but it is necessary. It fulfills the same function as pain in the human body. It calls attention to the unhealthy state of things." – *Winston Churchill* Criticism forces us to take a look at things that are not enjoyable but are needed to be dealt with to make ourselves better.

Oxymoron Drawing a blank.

World changer tip *"Love is a force more formidable than any other. It is invisible – it cannot be seen or measured, yet it is powerful enough to transform you in a moment and offer you more joy than any material possession could."* – Barbara de Angelis
How do you want to be remembered? I want to be known as one of the most loving people that God ever created, bringing praise to His name by my good works according to the Lord Jesus' words in Matthew 5:14-16. Three ways to know if you love your neighbors as yourself: Listen more than talk, spend time helping others, and spend your money helping others. Do you spend more time talking, helping yourself, and spending finances on yourself, or do you put others first?

Overcoming obstacles *"As sure as spring will follow the winter, prosperity and economic growth will follow recession."* – Bo Bennett
Be not deceived, God is not mocked; whatever a man sows, he shall reap. We will reap a harvest if we faint not. Life is full of ups and downs, mountains and valleys, but if we keep walking and working, we will find the path of blessing.

Witty sayings

"Outside of a dog, a book is a man's best friend. Inside of a dog, it's too dark to read." – Groucho Marx

"Everyone is entitled to be stupid, but some abuse the privilege." There's no excuse for a Christian to be stupid. We have scriptures, we have godly and wise mentors and we can do research with the technology we have today. Stupidity is a symptom of laziness.

If I put a pan of cookies in the oven to bake, when I pull the pan out, will I have a cake? Of course not! What I put in is what will come out. It is the exact same thing in our lives. What I put in my mind – through what I see and hear – is what will come out of my mouth. What I put in will have a powerful effect on what I believe and what I do.

If the enemy can get your mind, he's got YOU! If you spend all your time being entertained by the world, you will dull your spirit. Your daydreams will be something you saw on TV or a video game or a scene from a movie or something you read in a book. It won't be very easy to hear God talk to you and be used to do awesome things for His kingdom. It is very important to choose on purpose what you put into your mind. When you spend your time doing things like reading your Bible, listening to Godly music, watching movies about the Word of God and those who live for God, you will have a mind-set to be used by God for things like healing the sick and even casting out demons and raising the dead!

Romans 12:2 says, "Do not conform any longer to be like the world, but be changed by the renewing of your mind..." There is a battle for your mind, your thought life. It is up to you to make sure God-stuff is what goes in so God-stuff will be what comes out.

"I believe that through knowledge and discipline, financial peace is possible for all of us." – Dave Ramsey

Do you read about budgets, business, money, increasing your career skills, looking for better opportunities, and investing? The answer for most people is *no*. If they do read, it's about sports, obituaries, gossip, Hollywood, news, etc. Most Christians don't take the time to pray and ask God what they can do, they want God to do it all. We also lack self-control on our spending, and we are lazy at taking opportunities to improve ourselves. Through wisdom and discipline, and by God's grace, He prospers us.
